Galvanized Steel Wire Products with PVC Coating Safety Data Sheet

Section 1: Identification of the Product and the Manufacturer

Product form: Galvanized Steel Wire with PVC Coating
Substance name: Steel Wire
Synonyms: Wire

Manufacturer

Stockton Products Phone: 1-877-862-5866
4675 Vandenberg Drive Fax: 1-702-651-1303
N. Las Vegas, NV 89081

Emergency Telephone Number

1-877-862-5866

Section 2: Hazards identification

Classification of the substance or mixture: Finished steel product
Signal Word: **None**
Hazard Statements: *When used as designed, this product poses no safety or health hazards. This item is considered an 'article' under 29 CFR 1910.1200 and is not classified as a hazardous chemical under OSHA regulations.*
Precautionary Statements: **None required.** Use product as designed.

Section 3: Composition/information on ingredients

Chemical Name	Amount	CAS Number
Iron	95-98%	7439-89-6
Zinc	2-5%	7440-66-6
Polyvinyl Chloride	0.5-1%	9002-86-2

Section 4: First aid measures

First-aid measures general: When product is used as designed, first aid should not be necessary.
First-aid measures after inhalation: Not likely to be inhaled.
First-aid measures after skin contact: Not likely.
First-aid measures after eye contact: May irritate eyes if welding or grinding. Seek medical attention if irritation persists.
First-aid measures after ingestion: Product is not edible.

Most important symptoms and effects, both acute and delayed

Eyes: When product is used as designed, eye irritation unlikely
Skin: When product is used as designed, skin irritation unlikely
Inhalation: Solid material, not respirable.
Chronic Effects: None

Galvanized Steel Wire Products with PVC Coating Safety Data Sheet

Section 5: Firefighting measures

Extinguishing media

Suitable extinguishing media: This product is nonflammable.

Unsuitable extinguishing media: None

Special hazards arising from the substance or mixture

Fire hazard: None

Explosion hazard: None

Reactivity: None

Advice for firefighters

Firefighting instructions: None

Protection during firefighting: None

Section 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

General measures: Use product as designed.

For non-emergency personnel

Protective equipment: Impervious gloves when handling.

Emergency procedures: None

For emergency responders

Protective equipment: None

Emergency procedures: None

Environmental precautions

Spill or Leak procedures: N/A

Waste Disposal Methods: Used or unused product should be tested to determine hazard status and disposal requirements under federal, state and local laws.

Methods for containment/clean up

Solid material, containment and clean up not necessary.

Section 7: Handling and storage

Precautions for safe handling

Shelf Life: N/A

Additional hazards when processed: N/A

Precautions for safe handling: Wear gloves to protect from edges.

Storage conditions: N/A

Galvanized Steel Wire Products with PVC Coating Safety Data Sheet

Section 8: Exposure controls/personal protection

Engineering Controls:	None required.
Eye/Face Protection Requirements:	Not required.
Skin Protection Requirements:	Gloves if desired.
Respiratory Protection Requirements:	None

Section 9: Physical and chemical properties

Information on basic physical and chemical properties

Physical state:	Solid
Appearance:	Shiny, silvery, metallic luster
Odor:	None
pH:	N/A
Melting point:	2800 degrees F
Freezing point:	N/A
Boiling point:	N/A
Flash point:	N/A
UEL:	N/A
LEL:	N/A
Vapor pressure:	N/A
Relative vapor density at 20 °C:	N/A
Solubility:	N/A
%Volatiles:	N/A
VOC:	N/A

Section 10: Stability and reactivity

Reactivity:	N/A
Chemical stability:	N/A
Possibility of hazardous reactions:	None
Conditions to avoid:	None
Incompatible materials:	None
Hazardous decomposition product:	None

Galvanized Steel Wire Products with PVC Coating Safety Data Sheet

Section 11: Toxicological information

<i>Skin corrosion:</i>	None
<i>Serious eye damage/irritation:</i>	None
<i>Respiratory or skin sensitization:</i>	None
<i>Germ cell mutagenicity:</i>	None
<i>Carcinogenicity:</i>	None
<i>Reproductive toxicity:</i>	None
<i>Specific target organ toxicity (single exposure):</i>	None
<i>Specific target organ toxicity (repeated exposure):</i>	None
<i>Aspiration hazard:</i>	None
<i>Symptoms/injuries after inhalation:</i>	None
<i>Symptoms/injuries after eye contact:</i>	None
<i>Symptoms/injuries after ingestion:</i>	None

Section 12: Ecological information

Environmental Hazards
None

Section 13: Disposal considerations

<i>Waste Disposal:</i>	Collect and reclaim or dispose of at a licensed waste disposal site. Dispose of in accordance with all applicable regulations.
<i>Contaminated Materials:</i>	Dispose of in accordance with local regulations.
<i>Container Disposal:</i>	Empty containers should be taken to an approved waste handling site for recycling or disposal.

Section 14: Transport information

<i>Product Label:</i>	Galvanized Steel Wire Products with PVC Coating
<i>UN Number:</i>	None
<i>DOT Shipping Name:</i>	None
<i>DOT Hazard Class:</i>	This material does not meet the definition of a hazardous material

Section 15: Regulatory information

Product not regulated.

Brake-Formed / Roll-Formed Metal Products: Aluminum Safety Data Sheet

Section 1: Identification of the Product and the Manufacturer

Product form: Solid Aluminum Metal
Substance name: Aluminum
Synonyms: Aluminum

Manufacturer

Stockton Products Phone: 1-877-862-5866
4675 Vandenberg Drive Fax: 1-702-651-1303
N. Las Vegas, NV 89081

Emergency Telephone Number

1-877-862-5866

Section 2: Hazards identification

Classification of the substance or mixture: Finished aluminum product
Signal Word: **None**
Hazard Statements: *When used as designed, this product poses no safety or health hazards. This item is considered an 'article' under 29 CFR 1910.1200 and is not classified as a hazardous chemical under OSHA regulations.*
Precautionary Statements: **None required.** Use product as designed.

Section 3: Composition/information on ingredients

Chemical Name	Amount	CAS Number
Aluminum	>90%	7429-90-5
Magnesium	0.2-3.0%	7439-95-4
Silicon	.20-1.8%	7440-21-3
Zinc	0.0-1.5%	7440-66-6
Copper	0.01-1.2%	7440-50-8
Manganese	0.0-1.2%	7439-96-6
Iron	0.04-1.0%	7439-89
Chromium	0.0-0.4%	7440-47-3
Nickel	0.0-0.2%	7440-02-0

Section 4: First aid measures

First-aid measures general: When product is used as designed, first aid should not be necessary.
First-aid measures after inhalation: Not likely to be inhaled.
First-aid measures after skin contact: Not likely.
First-aid measures after eye contact: May irritate eyes if welding or grinding. Seek medical attention if irritation persists.
First-aid measures after ingestion: Product is not edible.

Brake-Formed / Roll-Formed Metal Products: Aluminum Safety Data Sheet

Most important symptoms and effects, both acute and delayed

<i>Eyes:</i>	When product is used as designed, eye irritation unlikely.
<i>Skin:</i>	When product is used as designed, skin irritation unlikely.
<i>Inhalation:</i>	Solid material, not respirable.
<i>Chronic Effects:</i>	None

Section 5: Firefighting measures

Extinguishing media

<i>Suitable extinguishing media:</i>	This product is nonflammable.
<i>Unsuitable extinguishing media:</i>	None

Special hazards arising from the substance or mixture

<i>Fire hazard:</i>	None
<i>Explosion hazard:</i>	None
<i>Reactivity:</i>	None

Advice for firefighters

<i>Firefighting instructions:</i>	None
<i>Protection during firefighting:</i>	None

Section 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

<i>General measures:</i>	Use product as designed.
--------------------------	--------------------------

For non-emergency personnel

<i>Protective equipment:</i>	Impervious gloves when handling.
<i>Emergency procedures:</i>	None

For emergency responders

<i>Protective equipment:</i>	None
<i>Emergency procedures:</i>	None

Environmental precautions

<i>Spill or Leak procedures:</i>	N/A
<i>Waste Disposal Methods:</i>	Used or unused product should be tested to determine hazard status and disposal requirements under federal, state and local laws.

Methods for containment/clean up

Solid material, containment and clean up not necessary.

Brake-Formed / Roll-Formed Metal Products: Aluminum Safety Data Sheet

Section 7: Handling and storage

Precautions for safe handling

<i>Shelf Life:</i>	N/A
<i>Additional hazards when processed:</i>	N/A
<i>Precautions for safe handling:</i>	Wear gloves to protect from edges
<i>Storage conditions:</i>	N/A

Section 8: Exposure controls/personal protection

<i>Engineering Controls:</i>	None required.
<i>Eye/Face Protection Requirements:</i>	Not required.
<i>Skin Protection Requirements:</i>	Gloves if desired.
<i>Respiratory Protection Requirements:</i>	None

Section 9: Physical and chemical properties

Information on basic physical and chemical properties

<i>Physical state:</i>	Solid
<i>Appearance:</i>	Shiny, silvery, metallic luster
<i>Odor:</i>	None
<i>pH:</i>	N/A
<i>Melting point:</i>	2800 degrees F
<i>Freezing point:</i>	N/A
<i>Boiling point:</i>	N/A
<i>Flash point:</i>	N/A
<i>UEL:</i>	N/A
<i>LEL:</i>	N/A
<i>Vapor pressure:</i>	N/A
<i>Relative vapor density at 20 °C:</i>	N/A
<i>Solubility:</i>	N/A
<i>%Volatiles:</i>	N/A
<i>VOC:</i>	N/A

Section 10: Stability and reactivity

<i>Reactivity:</i>	N/A
<i>Chemical stability:</i>	N/A
<i>Possibility of hazardous reactions:</i>	None
<i>Conditions to avoid:</i>	None
<i>Incompatible materials:</i>	None
<i>Hazardous decomposition product:</i>	None

Brake-Formed / Roll-Formed Metal Products: Aluminum Safety Data Sheet

Section 11: Toxicological information

<i>Skin corrosion:</i>	None
<i>Serious eye damage/irritation:</i>	None
<i>Respiratory or skin sensitization:</i>	None
<i>Germ cell mutagenicity:</i>	None
<i>Carcinogenicity:</i>	None
<i>Reproductive toxicity:</i>	None
<i>Specific target organ toxicity (single exposure):</i>	None
<i>Specific target organ toxicity (repeated exposure):</i>	None
<i>Aspiration hazard:</i>	None
<i>Symptoms/injuries after inhalation:</i>	None
<i>Symptoms/injuries after eye contact:</i>	None
<i>Symptoms/injuries after ingestion:</i>	None

Section 12: Ecological information

Environmental Hazards

None

Section 13: Disposal considerations

<i>Waste Disposal:</i>	Collect and reclaim or dispose of at a licensed waste disposal site. Dispose of in accordance with all applicable regulations.
<i>Contaminated Materials:</i>	Dispose of in accordance with local regulations.
<i>Container Disposal:</i>	Empty containers should be taken to an approved waste handling site for recycling or disposal.

Section 14: Transport information

<i>Product Label:</i>	Brake-Formed / Roll Formed Metal Products: Aluminum
<i>UN Number:</i>	None
<i>DOT Shipping Name:</i>	None
<i>DOT Hazard Class:</i>	This material does not meet the definition of a hazardous material.

Section 15: Regulatory information

Product not regulated.

First-aid measures after inhalation: Not likely to be inhaled
First-aid measures after skin contact: Not likely
First-aid measures after eye contact: May irritate eyes if welding or grinding. Seek medical attention if irritation persists.
First-aid measures after ingestion: Product is not edible.

Brake-Formed / Roll-Formed Metal Products: Zinc Safety Data Sheet

Most important symptoms and effects, both acute and delayed

Eyes:	When product is used as designed, eye irritation unlikely
Skin:	When product is used as designed, skin irritation unlikely
Inhalation:	Solid material, not respirable.
Chronic Effects:	None

Section 5: Firefighting measures

Extinguishing media

Suitable extinguishing media:	This product is non flammable
Unsuitable extinguishing media:	None

Special hazards arising from the substance or mixture

Fire hazard:	None
Explosion hazard:	None
Reactivity:	None

Advice for firefighters

Firefighting instructions:	None
Protection during firefighting:	None

Section 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

General measures:	Use product as designed
--------------------------	-------------------------

For non-emergency personnel

Protective equipment:	Impervious gloves when handling
Emergency procedures:	None

For emergency responders

Protective equipment:	None
Emergency procedures:	None

Environmental precautions

Spill or Leak procedures: N/A

Waste Disposal Methods: Used or unused product should be tested to determine hazard status and disposal requirements under federal, state and local laws.

Methods for containment/clean up

Solid material, containment and clean up not necessary.

Brake-Formed / Roll-Formed Metal Products: Zinc Safety Data Sheet

Section 7: Handling and storage

Precautions for safe handling

<i>Shelf Life:</i>	N/A
<i>Additional hazards when processed:</i>	N/A
<i>Precautions for safe handling:</i>	Wear gloves to protect from edges
<i>Storage conditions:</i>	N/A

Section 8: Exposure controls/personal protection

<i>Engineering Controls:</i>	None required
<i>Eye/Face Protection Requirements:</i>	Not required
<i>Skin Protection Requirements:</i>	Gloves if desired
<i>Respiratory Protection Requirements:</i>	None

Section 9: Physical and chemical properties

Information on basic physical and chemical properties

<i>Physical state:</i>	Solid
<i>Appearance:</i>	Shiny, silvery, metallic luster
<i>Odor:</i>	None
<i>pH:</i>	N/A
<i>Melting point:</i>	2800 degrees F
<i>Freezing point:</i>	N/A
<i>Boiling point:</i>	N/A
<i>Flash point:</i>	N/A
<i>UEL:</i>	N/A
<i>LEL:</i>	N/A
<i>Vapor pressure:</i>	N/A
<i>Relative vapor density at 20 °C:</i>	N/A
<i>Solubility:</i>	N/A
<i>%Volatiles:</i>	N/A
<i>VOC:</i>	N/A

Section 10: Stability and reactivity

<i>Reactivity:</i>	N/A
<i>Chemical stability:</i>	N/A
<i>Possibility of hazardous reactions:</i>	None
<i>Conditions to avoid:</i>	None
<i>Incompatible materials:</i>	None
<i>Hazardous decomposition product:</i>	None

Brake-Formed / Roll-Formed Metal Products: Zinc Safety Data Sheet

Section 11: Toxicological information

<i>Skin corrosion:</i>	None
<i>Serious eye damage/irritation:</i>	None
<i>Respiratory or skin sensitization:</i>	None
<i>Germ cell mutagenicity:</i>	None
<i>Carcinogenicity:</i>	None
<i>Reproductive toxicity:</i>	None
<i>Specific target organ toxicity (single exposure):</i>	None
<i>Specific target organ toxicity (repeated exposure):</i>	None
<i>Aspiration hazard:</i>	None
<i>Symptoms/injuries after inhalation:</i>	None
<i>Symptoms/injuries after eye contact:</i>	None
<i>Symptoms/injuries after ingestion:</i>	None

Section 12: Ecological information

Environmental Hazards	None
-----------------------	------

Section 13: Disposal considerations

<i>Waste Disposal:</i>	Collect and reclaim or dispose of at a licensed waste disposal site. Dispose of in accordance with all applicable regulations.
<i>Contaminated Materials:</i>	Dispose of in accordance with local regulations.
<i>Container Disposal:</i>	Empty containers should be taken to an approved waste handling site for recycling or disposal.

Section 14: Transport information

<i>Product Label:</i>	Brake Formed/Roll- Formed Metal Products: Zinc
<i>UN Number:</i>	None
<i>DOT Shipping Name:</i>	None
<i>DOT Hazard Class:</i>	This material does not meet the definition of a hazardous material

Section 15: Regulatory information

Product not regulated.

It is the responsibility of the user to know and comply with all applicable rules, regulations, and laws relating to the product being used.

Painted Galvanized Steel Products Safety Data Sheet

Section 1: Identification of the Product and the Manufacturer

Product form: Painted Galvanized Steel Products
Substance name: Galvanized Steel Products
Synonyms: Steel

Manufacturer

Stockton Products Phone: 1-877-862-5866
4675 Vandenberg Drive Fax: 1-702-651-1303
N. Las Vegas, NV 89081

Emergency Telephone Number

1-877-862-5866

Section 2: Hazards identification

Classification of the substance or mixture: Finished steel product

Signal Word: **None**

Hazard Statements

When used as designed, this product poses no safety or health hazards
This item is considered an 'article' under 29 CFR 1910.1200 and is not
Classified as a hazardous chemical under OSHA regulations.

Precautionary Statements

None required. Use product as designed.

Section 3: Composition/information on ingredients

Chemical Name	Amount	CAS Number
Iron	95-98%	7439-89-6
Zinc	2-5%	7440-66-6
Propylene Glycol	1-2%	57-55-6

Section 4: First aid measures

First-aid measures general: When product is used as designed, first aid should not be necessary
First-aid measures after inhalation: Not likely to be inhaled
First-aid measures after skin contact: Not likely
First-aid measures after eye contact: May irritate eyes if welding or grinding. Seek medical attention if irritation persists.
First-aid measures after ingestion: Product is not edible.

Extruded Aluminum Products with Alodine / Chem Film Coating Safety Data Sheet

Section 4: First aid measures

<i>First-aid measures general:</i>	When product is used as designed, first aid should not be necessary.
<i>First-aid measures after inhalation:</i>	Not likely to be inhaled.
<i>First-aid measures after skin contact:</i>	Not likely.
<i>First-aid measures after eye contact:</i>	May irritate eyes if welding or grinding. Seek medical attention if irritation persists.
<i>First-aid measures after ingestion:</i>	Product is not edible.

Most important symptoms and effects, both acute and delayed

<i>Eyes:</i>	When product is used as designed, eye irritation unlikely.
<i>Skin:</i>	When product is used as designed, skin irritation unlikely.
<i>Inhalation:</i>	Solid material, not respirable.
<i>Chronic Effects:</i>	None

Section 5: Firefighting measures

Extinguishing media

<i>Suitable extinguishing media:</i>	This product is nonflammable.
<i>Unsuitable extinguishing media:</i>	None

Special hazards arising from the substance or mixture

<i>Fire hazard:</i>	None
<i>Explosion hazard:</i>	None
<i>Reactivity:</i>	None

Advice for firefighters

<i>Firefighting instructions:</i>	None
<i>Protection during firefighting:</i>	None

Section 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

<i>General measures:</i>	Use product as designed.
--------------------------	--------------------------

For non-emergency personnel

<i>Protective equipment:</i>	Impervious gloves when handling.
<i>Emergency procedures:</i>	None

For emergency responders

<i>Protective equipment:</i>	None
<i>Emergency procedures:</i>	None

Classification of the substance or mixture:

Irritant

Signal Word:

WARNING

Labeling (GHS):

Irritant

Other hazards:

No data available.

Hazard Statements:

- Inhalation: May be harmful in the case of gross inhalation. Lung scarring may be produced which may lead to pulmonary fibrosis possibly aggravating other medical conditions.
- Eyes: Dusts may cause eye irritation.
- Skin: Dusts may cause skin irritation.
- Ingestion: May cause gastrointestinal harm if ingested. Not a likely route of exposure under normal product handling conditions.

Section 3: Composition/information on ingredients

Section 4: First aid measures

First-aid measures general:	Remove product from exposed portion of body, seek medical attention.
First-aid measures after inhalation:	For gross inhalation, remove person immediately to fresh air and if needed initiate CPR. Seek medical treatment as needed.
First-aid measures after skin contact:	For skin contact, flush with large amounts of water. If irritation persists, seek medical attention.
First-aid measures after eye contact:	Immediately flush eyes with copious amounts of water for at least fifteen minutes. If irritation persists, seek medical treatment.
First-aid measures after ingestion:	If the material is swallowed, seek immediate medical advice or attention, do not induce vomiting.

Most important symptoms and effects, both acute and delayed

Eyes:	Irritation
Skin:	Irritation
Inhalation:	Irritation, in the case of gross inhalation lung scarring may be produced which may lead to pulmonary fibrosis possibly aggravating other medical conditions.
Chronic Effects:	Gross inhalation may lead to lung scarring which may produce pulmonary fibrosis and aggravate underlying medical conditions.

Section 5: Firefighting measures

Extinguishing media

Suitable extinguishing media:	Dry chemical, water, carbon dioxide, or foam
Unsuitable extinguishing media:	None

Special hazards arising from the substance or mixture

Fire hazard:	None
Explosion hazard:	None
Reactivity:	None under normal conditions.

Advice for firefighters

Firefighting instructions:	Use appropriate extinguishing media for surrounding fire.
Protection during firefighting:	Firefighters should wear full protective gear.

Section 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

General measures: Use dustless systems for handling, storage, and clean up so that airborne dust does not exceed the permissible exposure limit. Use adequate ventilation and dust collection. Practice good housekeeping. Do not permit dust to collect on walls, floors, sills, ledges, machinery or equipment.

For non-emergency personnel

Protective equipment: Safety glasses/goggles, gloves
Emergency procedures: In the event of a spill, isolate the area and keep unnecessary personnel away. Use dustless methods (vacuum) and place into closable container for disposal or flush with water. Do not dry sweep. Care should be taken to avoid high aerosol dust concentration. Spilled material may become very slippery when wet with water, grease, oil, gasoline or solvents.

For emergency responders

Protective equipment: Safety glasses/goggles, impervious gloves, and respiratory protection if airborne concentration is above the applicable exposure limits. Use a NIOSH approved respirator.
Emergency procedures: See non-emergency personnel procedures.

Environmental precautions

None

Section 7: Handling and storage

Precautions for safe handling

Shelf Life: Unknown
Additional hazards when processed: None
Precautions for safe handling: Avoid dust generation while handling. Use with adequate ventilation. Wash or vacuum clothing which has become dusty.
Storage conditions: Protect packaging from breakage or spills.

Section 8: Exposure controls/personal protection

Engineering Controls: Provide adequate local exhaust ventilation to maintain worker exposure below exposure limits.
Eye/Face Protection Requirements: Wear safety glasses with side shields. Emergency eyewash is recommended in the event dust gets into eyes.
Skin Protection Requirements: Wear impervious gloves for prolonged contact.
Respiratory Protection Requirements: If airborne concentrations are above the applicable exposure limits, use

Pozalite Safety Data Sheet

NIOSH approved respiratory protection.

Section 10: Stability and reactivity

Reactivity:	This is a stable material.
Chemical stability:	Avoid dust generation.
Possibility of hazardous reactions:	Will not occur.
Conditions to avoid:	None
Incompatible materials:	None
Hazardous decomposition product:	None

Pozalite Safety Data Sheet

Section 11: Toxicological information

Skin corrosion:	Some mild irritation with extended exposure time.
Serious eye damage/irritation:	None as long as dust is removed immediately.
Respiratory or skin sensitization:	May be harmful if inhaled in sufficient quantities, not a sensitizer.
Germ cell mutagenicity:	None
Carcinogenicity:	This product may contain some free silica and crystalline silica which has been classified as a carcinogen by OSHA, IARC and ACGIC. None of the components are listed by ACGIH, IARC, OSHA, NIOSH or NTP.
Reproductive toxicity:	None
Specific target organ toxicity (single exposure):	None
Specific target organ toxicity (repeated exposure):	Lungs when exposed to large quantities of dust.
Aspiration hazard:	Do not inhale, or swallow, some hazard to lungs and to gastrointestinal system.
Symptoms/injuries after inhalation:	Mild cough
Symptoms/injuries after eye contact:	Eye redness
Symptoms/injuries after ingestion:	In large quantities may cause gastrointestinal discomfort.

Section 12: Ecological information

Environmental Hazards

No information available for the product.

Component Analysis – Ecotoxicity – Aquatic Toxicity

Proprietary Component 2 (Trade Secret) Test & Species: 96 Hour LC50 Oncorhynchus mykiss - 45.4mg/L (static)

Section 13: Disposal considerations

Waste Disposal:	Not a hazardous waste, no EPA Waste Numbers are applicable for this product's components.
Contaminated Materials:	Disposal in accordance with local, state and federal regulations.
Container Disposal:	Disposal in accordance with local, state and federal regulations.
