TFB: TruFlush™ Backing

- Faster Installation
- Eliminates Costly Backcharges
- Increase Production Installation, Plus Drywall, Taping And Finishing
- Increased Safety, No Grinders Needed, Only Chop Saw And Screw Gun
- Galvanized Steel (GS)
- Fixed Length, Single Piece Design
- Patent Pending

Low profile, return lip backing that provides increased load capacity. TruFlush™ Backing will eliminate build up, drywall cracking and drywall fastener popping. Available in 20 gauge or 16 gauge for 12", 16" and 24" stud spacing.

Note: Custom spacing and steel thickness available with extended lead times.

Most Common Sizes

W Sizes: 12", 16" and 24"

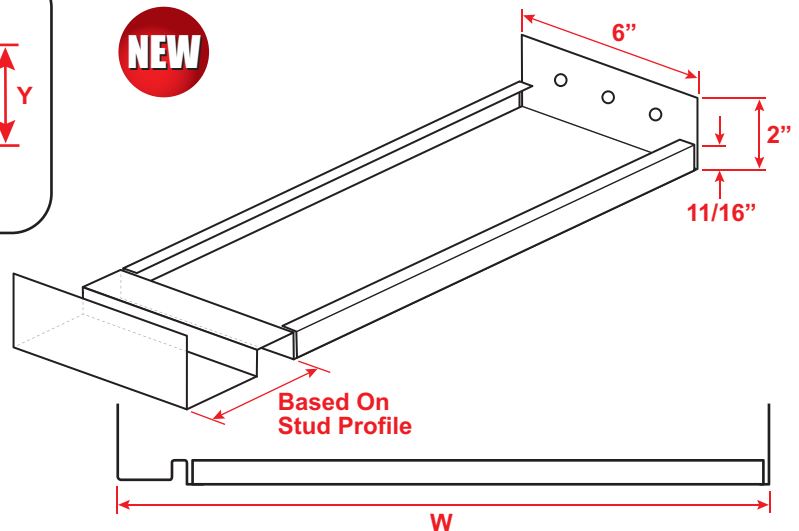

See Installation Guide For Load Testing Data
