MSC: M-Slide™ Expansion Joint - 2 pc.

- Available With 1/4" Weep Holes or No Holes
- Available in Copper, Galvanized Steel, Zinc, Stainless Steel or Aluminum

The self-aligning, dual function M-Slide expansion joint provides movement capability at the floor line while providing a water management system that will allow moisture to release from the top ground and lock out moisture from the bottom ground.

Note: Does not have a plaster return key.

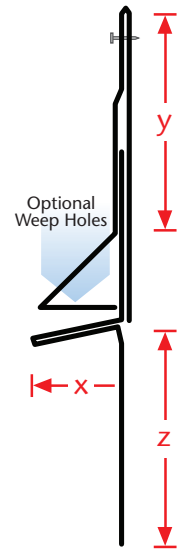

Note: Special sizes available. Please call Stockton Custom Fabrication at 877-786-2587.
