

ECG: External Corner Guards

Stockton Products® offers external corner guards to protect the exterior corners in building, rollup doors, manufacturing equipment or anything else that might be damaged by forklifts or trucks. Ideal for use in commercial warehousing. Available in hot rolled steel.

Note: This drawing is supplied solely to assist in the selection and application of product manufactured by Stockton Products. This drawing is generic in nature and should not be used in design or construction without an independent evaluation by a qualified Architect or Engineer of Record.
