

POZ: Pozalite®

Pozalite® is a unique concrete/stucco enhancer that improves pumpability, strength and open-time of cementitious materials.

When Pumping...

- Ends Problems When Pumping Material To Heights And Distances
- Ends Jerking & Packing Hoses
- Primes The Pump For Faster, Easier Start-Up.
- Aids End-of-The-Day Cleanup
- Extends Equipment Life
- Reduces Maintenance Costs
- Reduces Shrinkage and Cracking
- Reduces Water Use
- Improves Overall Strength
- Increases Shear & Flexural Strength
- Adds Air Entrainment To The Mix

The use of Pozalite® means easier troweling, smoother pumping, greater productivity, better workmanship and faster clean-up.

Bags: 50 Lbs.

For Commercial Applications

Note: When used as designed, Pozalite® presents no safety or health hazards. As a precaution, wear respirator or dust mask to avoid inhalation of dust. Wet material may be very slippery. MSDS available.
