

TRC: Tru-Corner®

- Available in Zinc or Stainless Steel

A solid metal trim that provides a sharp square exterior corner. Longer attachment legs help assure proper alignment to achieve a straight and true corner, particularly on irregular framing. Includes 1/4" diameter staggered key holes to aid in keying the stucco. Available in stainless steel and zinc for maximum anti-corrosive protection.

Note: Ground depth (X Sizes) and leg lengths (Y Sizes) can not be mixed. Sizes are as listed.
